Accessible Learning Environments Policy

Person Responsible for Enforcing Policy: Craig Warren

It is the policy of visABILITIES Rehab Services to make every attempt to accommodate learner's with special needs in its workshops.

1. visABILITIES, to the best of its abilities, shall seek out accessible learning environments when working with the co-sponsoring facility however the facility is responsible for ensuring that the venue is accessible.
2. Accommodations will be made on a case by case basis according to the learner's individual needs.
3. Examples of accommodations that visABILITIES can make include
 - Providing enlarged printed materials
 - Providing special seating in the front of the lecture venue
 - Free admission to a companion to take notes or assist the participant
 - Assistance with transportation arrangements
 - Assistance in obtaining special seating for persons with orthopedic limitations
4. As a small private company, visABILITIES does not have the financial resources to provide sign language interpreters or Braille materials unless the co-sponsoring facility is able to provide this service.

Please contact visABILITIES at least 4 weeks prior to the scheduled event to request accommodations craig@visabilities.com
